

**WORKSESSION MINUTES
CITY OF MELISSA
CITY COUNCIL
JANUARY 23, 2007
6:30 P.M.**

Mayor David Dorman called the meeting to order at 6:30 p.m.

Council members present: Bill Reynolds, Stan Mercer, Randy Kaiser and Dan Trott. Kelly Maberry was absent.

Others present were: Gaynor Davis, Exploring District Director; Brent Rollins, Fire Fighter and City of McKinney Explorer Representative.

Council received and discussed information regarding the development of an Explorer Post within the City of Melissa Volunteer Fire Department.

Mayor Dorman stated that he felt that time would be better spent lowering the ISO rating for the fire department and that the City didn't have enough manpower at this time to fully manage an Explorer Program.

Other council members endorsed the program and felt that it was a good opportunity for the youth from our area.

Randy Kaiser asked that the city administration place an item on the next agenda to formally endorse this program.

Kelly Maberry arrived at 6:55 p.m.

Work Session was closed at 6:56 p.m.

David Dorman, Mayor
