

Friends of Melissa's Parks (FMP)

Friends of Melissa's Parks (FMP) was formed on September 6, 2005 as a charitable organization. FMP's objectives are to preserve, protect and enhance Melissa's parks and recreation facilities. The operations of the association are to be carried out chiefly in Melissa, Texas, in coordination with the local government, County of Collin, and adjoining cities.

There are four classes of membership: Individual; Family; Pro/Bus, and Honorary. Initial dues are: \$15 – Individual & Pro/Bus, and \$25 – Family. With Family Membership all individuals 18 or older who reside at address are eligible. Individuals must own property, reside or operate a profession or business within Melissa, or in the area served by the Melissa Independent School District.

Your support for FMP would be appreciated very much. Below is a membership application form if you would like to join FMP. You may return the form and dues to me or I can pick up which ever is most convenient for you. You can also bring it to the General Membership Meeting which will be held on Tuesday, **September 20, 2005 @ 7 PM in Hale Hall**, Melissa First Christian Church.

If you have question or need more info, please contact myself, Diane Miller, or Eddie Malinowsky. Your support would be appreciated very much.

Thanks,
Lee
