Dear Mr. Wright:

Insurance Services Office (ISO) has submitted a recommendation concerning your community's Public Protection Classification (PPC). Currently, the Community's Public Protection Classification rating is a Class 7/9.

Insurance Services Office is recommending the classification be changed to a Class 3, with an effective date of 10/01/2008. The recommendation is based on a review of your community performed on 01/28/2008 and does include application of the Texas Addendum.

With a single class rating of 3, all class-rated properties will use Class 3.

Public Protection Classifications range from 1 (best) to 10 (worst).

We have reviewed the information provided and believe it is sufficient to grant approval. Enclosed is a PPC Submittal sheet indicating the point totals for the major areas associated with the review. We will notify Insurance Services Office of our approval of the recommendation and of the 10/01/2008 effective date.

If you have any questions regarding this change, I may be reached at the address indicated above or by telephone at (512) 305-7941.

Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.

Sincerely,

A handwritten signature in blue ink that reads "Jesse Williams".
