

FANNIN WATER LINE & ROAD REHAB

The City of Melissa would like to inform the public about the construction of the Fannin Water Line And Road Rehab expected to take place from February 2012 through August 2012. This project will consist of rehabilitating the asphalt section of Fannin Road South of Hunters Ridge Subdivision to SH-121 and constructing a 12-inch water line and a 20-inch water line along Fannin Road, Davis Road and across State Highway 121. During construction, vehicle access to Fannin Road will be limited and only local traffic will be allowed on this roadway section. Please be on the look out for changes in traffic patterns. Please refer to the website below for additional information and updates on the construction.
