RE: Request for Exemption from Noise Nuisance Ordinance for Gardner
Capital Construction – Work Site: Gala at Melissa and Provision at
Melissa.

Dear Mr. Griffin:

The City of Melissa hereby grants your request for exemption from our Noise Ordinance for Special Circumstances related to your request for after-hours concrete pours for your projects located at 2650 E. Melissa Road (Provision at Melissa) and 2730 E Melissa Road (Gala at Melissa).

The hours requested would be: **January 9-12, 2018; January 15-19, 2018; January 22-26, 2018. The requested hours are from 3:00 a.m. until 12:01 a.m. on each of those dates.**

This is being granted due to the large number of concrete trucks entering and leaving the locations and so that the burden of the trucks on day time traffic will be lessened. Also, you have agreed to notify all residents within 1500 linear feet of your project prior to commencing.

You must have a copy of this letter available at the work-site for inspection if necessary.

Please contact the City should these dates and/or hours change in any way so that the waiver can be modified.

Thank you.
