RE: Request for Exemption from Noise Nuisance Ordinance for Throckmorton Road Concrete Pour.

Dear Ms. Culp:

The City of Melissa hereby grants your request for exemption from our Noise Ordinance for Special Circumstances related to your request for after-hours concrete pours and cutting for your Throckmorton Road construction project. The hours requested would be: **February 9-14, 2018 until 12 p.m. each night.**

This permit is being issued due to inclement weather and additional hours needed for sawing. Also, you have agreed to notify all residents within 1500 linear feet of your project prior to commencing.

**You must have a copy of this letter available at the work-site for inspection if necessary.**

Please contact the City should these dates and/or hours change in any way so that the waiver can be modified.

Thank you.
