*Serving Collin County  
one family at a time.*

## Who We Are

Melissa Community Outreach is a nonprofit organization serving locally, under Lost Orphans International. What started as a dream of paying it forward to a few has grown into an organization of helping many.

MCO serves families in crisis. We provide clothing and non-perishable food to those in need in Collin County.

By relieving some of the burden of acquiring and paying for groceries and clothing, families can direct their income to other immediate needs. Through the food pantry and clothesline, MCO brings hope to those in need.

MCO distributes food and clothing to over

**40 families per month**

who live in Melissa and the surrounding cities.

*Melissa Community Outreach runs strictly on donations of money, food and clothing from the community.*
