RE: Request for Exemption from Noise Nuisance Ordinance for after-hours concrete pours at the Buc-ee's Building Site.

Dear Mr. Briggs:

The City of Melissa has opted to give you a Special Circumstance Permit, **for concrete pours only**, to cover the duration of the project at the Buc-ee's Building Site on Davis Road. **However, this permit is issued with the caveat that you are to notify the City Secretary at least 24 hours prior to each work event so that we are aware of your intent and can advise you should there be any reason for the permit to be rescinded.** The City shall have the authority to deny the permit should they see fit.

**Please be aware that you are still expected to notify all residents/businesses within 1,500 linear feet of the project prior to the work commencing.**

**You must have a copy of this letter available at the work-site for inspection if necessary.**

Thank you.
